Art Therapy - Online with Karie Amstutz

Every Tuesday from 1:30pm - 3:00pm

No Occurrence December 26

For many of life's events there just aren't the words to express how we feel or fully communicate the depth of our experiences. That is where creativity and art enter the picture. During art therapy sessions, we use art as a means to explore emotions, gain self-insight, have fun and seek creativity and connection through community. And for those of you who think, you can't even draw a straight line, this is the group for you!

Newly Diagnosed Social Support - Online with Dr. Tasha Carlson

Every 3rd Wednesday of the month from 6:30pm - 8:00pm

(October 18, November 15, December 13)

Have you just been diagnosed with cancer in past few months? Do you feel like a deer in headlights? Is your head swimming with the possibilities and the meaning of it all? This monthly group will give you some support. Come normalize your situation by talking to others in a similar situation, validate the feelings you are having, and hopefully leave with less anxiety.
